

REINVENTING PAINT

Who is Prospec

- Matt Stirling
 - Internationally recognised expert in Level 5 finishing
 - USG and Winstones endorsed
 - On-site QC for major projects
 - Training
- Coating Technologies - Cotec
 - Established 1979, 100% NZ owned
 - NZ Technical Lab, Manufacturing colour support
 - Sales Marketing
 - NZ wide distribution network
 - Export: Australia and Asian markets
 - Architectural, Commercial and Industrial coatings
 - Specialising in Waterborne Acrylics, Polyurethanes, Epoxy

Systems

- High build technology
 - Wet film flows and equalises over the substrate to obliterate imperfections
 - Effectively puts on 3 times the paint in one visit
 - Higher dry films
 - Reduces Sanding
 - improves surface durability
 - Non sand ceilings
- Unique application techniques and SOPs
 - Preparation process optimised
 - Reduces filling and sanding
 - Minimises re work and delays

Paint

- Durability
 - MF Mirror Finish WB Enamel
 - Self cross linking
 - Carpet layers marks wash off with dishwash liquid
 - LS Interior Low Sheen
 - Washable burnish resistant acrylic
 - Low sheen designed to eliminate roller marks and provide uniform film
 - L5 and CP4 Ceilings
 - Level 5, 4.5 or 4 finishes
- Less remedials
 - “we are saving on average \$1900 per home” Brendan Hamill Director David Reid Pukekohe
- Touch ups
 - All products can be touched up, even ceilings

Applicators

- All prospective applicators are assessed prior to training
 - Evaluated to selection criteria
 - Character and teamwork
 - Credentials reference checked
 - Technical competence
 - Equipment
 - Comprehensive training
 - Ongoing coaching

Value

- Platinum Level 5 systems
 - provide unrivalled surface finishes for premium and light critical environments
 - “The finish is super yacht quality”
 - Grant McKenzie - Watea Construction Paihia
 - market leading durability
- Level 4 and 4.5 Systems
 - similar costs to competitor premium systems
 - the same surface durability as our Platinum 5 systems

Systems for all budgets

System	1st coat	2 nd coat	3 rd coat
Ceilings Level 5	L5 @2.5-3.5sqM/l		
Ceilings Level 4.5	Holdout Sealer @8-10sqM/l	L4 @5sqM/l	
Ceilings Level 4	Holdout Sealer @8-10sqM/l	L4 @10 sqM/l	L4 @10 sqM/l
Walls Level 5	L5 @2.5-3.5sqM/l	LS or LE @10sqM/l	LS or LE @10sqM/l
Walls Level 4	Holdout Sealer @8-10sqM/l	LS or LE @10sqM/l	LS or LE @10sqM/l
Trim Mirror Premium (5)	Skin @2.5-3.5sqM/l	Mirror Finish @6sqM/l	Mirror Finish @8sqM/l
Trim Mirror Economy (4.5)	Holdout Sealer @6-	Mirror Finish @6sqM/l	Mirror Finish @8sqM/l

Warranty and maintenance

- 10 year
- Ongoing maintenance
 - Programs can tailored to support ongoing maintenance and refurbishment requirements
 - Touch ups and repair possible with minimal disruption
